

# SCENARIO PAINTBALL

## “Happy Birthday Chuck”

HICKORY HOLLOW

June 19, 2010

Hidden deep in the countryside of Tuscarawas County, an evil lurks. An evil so corrupt and vile that children cry, women faint, and lesser men tremble at just hearing their name said aloud. They are the SCABS!!! What is SCABS you ask, it is the **Society Committed Against BirthdayS.**

SCABS has set its sight on Hickory Hollow, where they have decided to make sure that Chuck does not celebrate his birthday.

So we are calling all birthday warriors to step up and pick away the SCABS before it is too late.
